**May 9, 2023**

**To:** Silvertown Fire District Board of Directors, Budget Committee, Citizens, and Members

**Subject:** Budget Message for Fiscal Year 2023-2024

I am pleased to submit, for your review and consideration, the 2023-2024 proposed budget for the Silvertown Fire District. This budget, like previous budgets, has been compiled through the collaboration of many members of the District. We have done our best to estimate and forecast the revenues and expenditures needed for providing professional fire, rescue, and EMS services for our community. I want to thank all those who contributed to the process as well as our Office Administrator, Candace Cantu, for the countless hours and information gathering in order to put together this final document for your review.

The Fire District budget document contains detailed descriptions and explanations of proposed resources and expenditures. The detailed descriptions are included to clarify the programs provided by the District. This format is conducive to the monitoring of spending throughout the year and has been well-received by the Board and Budget Committee in previous budgeting cycles. The goal of this document is to create a management tool which will allow the budget committee an opportunity to have a more complete understanding of the financial picture of the organization.

The District has made several key assumptions based on information from the external environment and economic forecasts. We remain vigilant on monitoring the external environment throughout the budgetary process given the impact economic changes will have on our ability to provide service at current and future levels. In the development process, we comply with fiscal policies and we aim to preserve and protect our financial position for the future. Property assessed valuation is projected to increase modestly. We have forecasted a 4 percent assessed valuation growth for the 2023/24 fiscal year, 1 percent of this growth is from new construction.

The economic rebound following the pandemic was quick and robust, but we are hearing and reading that there are signs that we could be headed to a mid-year recession. From our limited research it appears that most state economists have the opinion that interest rate hikes usually have a delayed impact on inflation and the expectation that inflation will continue to increase for the next three or so months and as a result, interest rates are likely to rise and could potentially deepen the expected recession.

## Budget Summary

Six funds make up the Fire District budget and they are: Fund 22 Debt Service, Fund 24 Volunteer Incentive Fund, Fund 25 General Fund, Fund 29 Reserve Fund, Fund 30 Capital Improvement Fund for managing the expenditure of the 2015 General Obligation Bond proceeds, and Fund 31 Personnel Expense Reserve Fund to help save funds for future unexpected increases in personnel expenses. Detailed information and changes are outlined in the respective sections for each fund.

Total General Fund revenues for 2023-2024 are estimated at \$3,451,861, which is a slight decrease from fiscal year 2022-2023 due to expecting less grant revenue and the staffing grant revenue moving to Fund 31.

Expenditures are estimated to be as follows: **Personnel Services** \$1,533,518, **Materials and Services** \$807,343, **Capital Outlay** \$127,000, **Contingency** \$100,000, **Transfer to Fund 24 Volunteer Incentive Plan** \$14,000, **Transfer to Fund 29 Reserve** \$100,000, **Transfer to Fund 31 Personnel Expense Reserve**, \$45,000, **Un-appropriated Ending Fund Balance** of \$725,000.00, bringing the total requirements to \$3,451,861.

Several areas of the proposed budget are highlighted here and are important as you review the budget. Some significant changes in the 2023-2024 budget are as follows:

- The proposed budget in Fund 22 represents the eighth year of payments for the 14 year 2015 Bond through JP Morgan Chase and provides for total principal and interest payments of \$356,806. We will levy \$373,619 to insure we will collect enough to cover the principal and interest payments. We are using the collection factor of 95.5% to make sure we receive enough tax money to make the payments.
- Fund 25, personnel expense account (25-1-51001). This year's budget continues to fund 10 FTE positions, however we are funding one of the FTEs in Fund 31 to better track the expenditures of grant funds we received for staffing. Fund 25 will continue to fund nine (9) FTE positions. The Personnel categories include step increases for permanent employees and a 6.0% cost of living adjustment that was approved by the Board in March. Employees may also receive longevity incentives depending on their length of service with the District.
- Health insurance premiums (25-1-51005) increased 4% this budget year. The District stayed with the Oregon Fire Chief's Association (OFCA) group with health coverage plans remaining under Regence and dental plans remaining on MODA. Prescription coverage is also covered by Regence. The OFCA includes a MASA benefit free of charge for all employees. Medical Air Services Association (MASA), is an international company that provides life-saving emergency assistance from home or while traveling anywhere in the world. The District continues to provide Woodburn Ambulance and Life Flight memberships for Volunteers and Directors.
- We are proposing to transfer \$100,000 to the Reserve Fund 29 and we will continue to build this fund which will give the District options for future capital expenses. We continue the annual transfers of at least \$100,000 per year with the goal of having funds available to address large capital purchases. This year we are proposing to expend just

under \$200,000 for property improvements, equipment, and a replacement command vehicle.

- We are continuing to replace structural and wildland personal protective equipment (PPE) that has exceeded its ten-year service life. We have proposed \$50,000 from Protective Equipment (25-1-71002) and \$10,000 from Fund 29, Equipment Reserve (29-1-71003) to continue this process to update firefighter PPE.
- We are hopeful that we can finish the capital projects by the end of fiscal year 2024 proposed in Fund 30. We continue to face delays and cost increases with the last of the projects. The last projects are the construction of a covered vehicle storage area behind the warehouse and painting the heavy brush truck. The last few years have been very difficult and challenging for our building projects.
- Fund 31, will fund three months of insurance premium for one retiree through September which will be the last of the retiree health insurance premium payments. We received a three (3) year staffing grant from the Oregon State Fire Marshal Capacity Grant program. After consulting with our Auditor, we are putting the grant funds for this position in Fund 31, Personnel Reserve and fund directly from there for better tracking. This grant funded position requires an escalating match each year starting with 10% year one, 25% year two, and 50% year three. We also were notified that we received the OSFM \$35,000 summer Wildland Upstaff grant again like we received last year. This grant will also be expensed from Fund 31.

In this uncertain financial climate, we have to remain careful and vigilant regarding revenue and expenditure projections and will continue to take a conservative approach to budgeting to ensure the quality of service, and the long-term stability of the organization.

This year as much as any, it is important to note that this Budget is a “plan”. This plan has been evaluated on several different levels and all budgetary aspects have been taken into account. The proposed budget meets federal and state mandates, as well as local obligations. Further this budget will allow the District to maintain its current levels of service.

This is a balanced and responsible budget. It allows us to provide the excellent service levels our community expects in a fiscally responsible manner.

I would like to thank the Budget Committee and Board of Directors for your time and your thoughtful consideration of this Budget.

Respectfully,

*Bill Miles*

Bill Miles, Fire Chief/Budget Officer

## SILVERTON FIRE DISTRICT

### Brief History and Organization

*The Silvertown Fire District is a rural fire protection district organized and operating under the authority of ORS Chapter 478 as a municipal corporation and special district of the State of Oregon, and located within Marion and Clackamas Counties approximately 60 miles southeast of the City of Portland and approximately 10 miles east of the City of Salem. The District provides fire suppression, rescue and emergency medical services to the Cities of Silvertown and Scotts Mills and the surrounding rural areas, serving a permanent population of approximately 19,850 and a transient population of approximately 225,000 annually. The District's boundaries encompass approximately 106 square miles with approximately 10,000 residents residing in the rural-urban interface.*

*On May 01, 1883 the "Eagle Hook and Ladder No. 1" was formed in the Silvertown area. Over the years the organization has changed many times. In 1946 the Silvertown Rural Fire Protection District was formed and contracted for fire protection from the City of Silvertown in 1947. In 1982 the decision was made to consolidate the City and Rural District into one District. In 1992 the District merged by vote of the public with the Scotts Mills Fire District. Presently the District provides protection for 106 square miles with five stations and over seventy volunteer firefighters.*

*The Board of Directors is the legal governing body of the Fire District. The Board consists of five (5) members elected by popular vote of the citizens within the Fire District. Each member serves a four-year term and meets the second Tuesday of each month.*

*The current paid staff consist of eight full-time employees. Volunteers and paid staff work under the direction of the Fire Chief.*

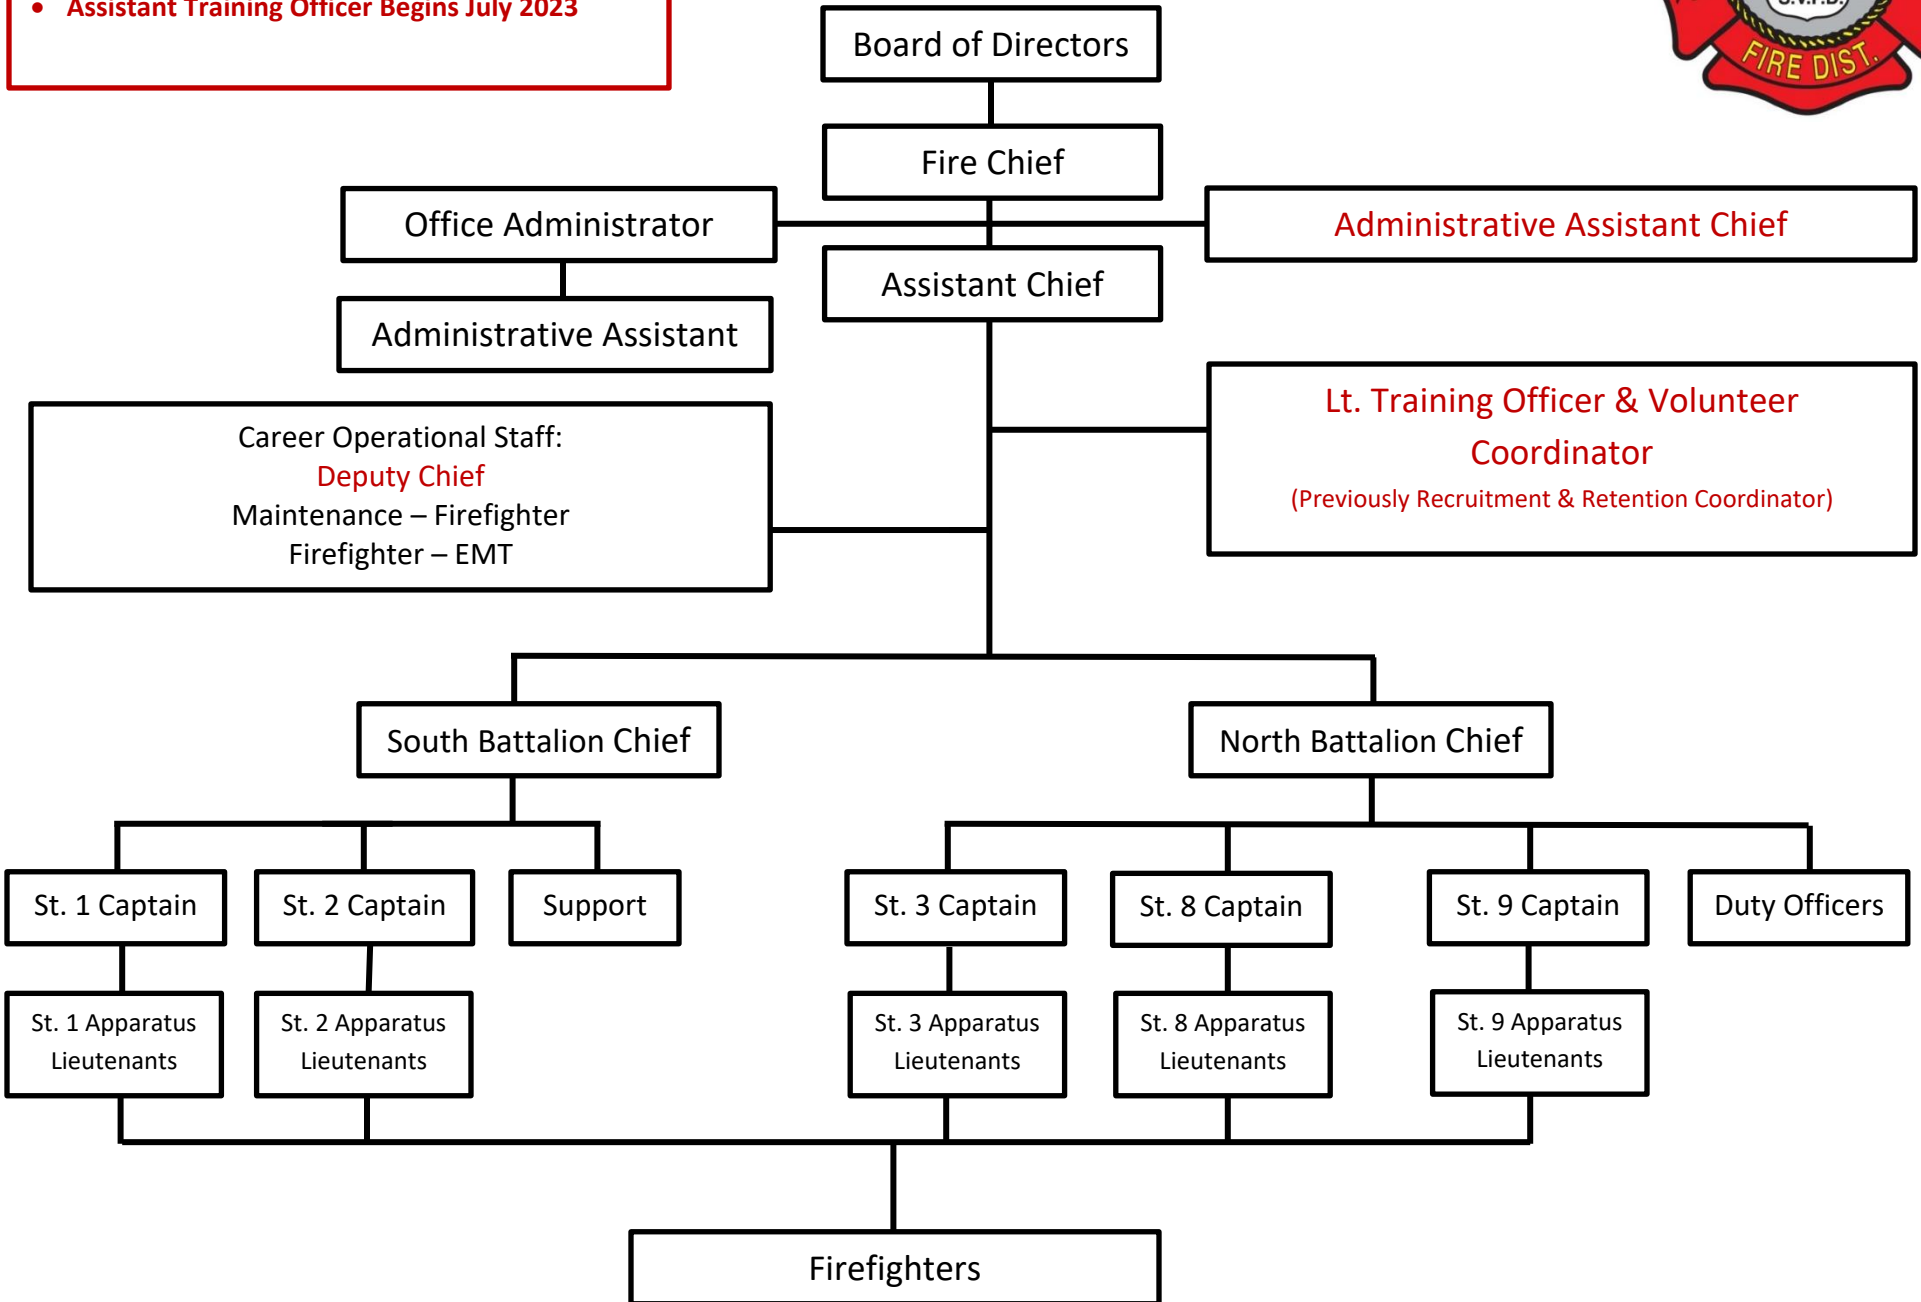

*The organization is divided into several areas. Management, Operations, Training, and Maintenance are duties supported by staff. The Silvertown (South) and Scotts Mills (North) Battalions are under the direction of Volunteer Battalion Chiefs. The Suppression force consists of volunteers that reside or are employed in proximity to each respective station. Other areas of special service under Suppression are divided into sections of Rescue, Ladder, Tender, Investigations and Support Services. The staffing for these additional sections also come from the volunteers who have special interests in one or more of the sections. Station captains and apparatus lieutenants along with all firefighters within the Fire District operate under the National Incident Management System (NIMS).*

- Deputy Chief Position Ends June 30, 2023
- Administrative Assistant Chief Position Starts July 1, 2023 and Ends December 31, 2023 or Earlier
- Assistant Training Officer Begins July 2023

### **2023 – 2024**

### **BUDGET GOALS**

- To provide the highest quality fire and life safety services possible while accomplishing the mission of the Silvertown Fire District.
- To assure career and volunteer staffing at levels adequate to respond to all requests for emergency and non-emergency fire and life safety services in a timely manner.
- To provide reimbursement, benefits, facilities, equipment, opportunity and other forms of incentive for all volunteer and career personnel at a level that promotes a safe work environment, self-motivation, longevity and high morale.
- To provide training for career and volunteer personnel which meets or exceeds applicable federal and state standards and allows individuals to operate as safely and effectively as possible.
- To provide for the maintenance and safe operation of all existing apparatus and equipment.
- To provide for the maintenance and safe operation of all existing facilities and property.
- To provide fire prevention and public education services at a level that will promote personal fire and life safety for all customers of the district.
- To assure adequate cash carry-over for operating expenses between July and November of 2023.

## SILVERTON FIRE DISTRICT MISSION STATEMENT

### *Efficiently and Effectively:*

---

Preserve and protect life and property from fire through prevention and suppression.

---

Reduce the adverse effects of injury and sudden illness through quality emergency medical services as first responders.

---

Provide necessary services during natural and manmade disasters.

---

Respond to the community as requested in the spirit of the Fire Service.

## Fund 22: Debt Service Fund Description

Fund 22 is the debt service fund that is for the repayment of the Series 2015 General Obligation Bond. The expenditures in the fund pay the bond principal and interest payments. Taxes dedicated to repay bonds cannot be used for any other purpose. The debt service fund is for property taxes levied outside of our permanent rate limit to pay the principal and interest on general obligation bonded debt.

The Series 2015 General Obligation Bond is a 14-year Direct Placement with JP Morgan Chase at a rate of 2.25%. The principal amount is \$4,155,000 and the total interest is \$785,285 for a total of \$4,940,286 in principal and interest.

Principal and interest payments are made by December 1st of each year and an additional interest payment made by June 1st of every year.

As the bond payments age, the principal payments get larger, and the interest payments get smaller. The last principal payment of \$400,000 and interest payment of \$4,500 is due December 1, 2029.

The eighth principal payment of \$305,000 and interest payment of \$27,618.75 will be due on December 1, 2023 for this 2015 Bond Issue. An interest payment of \$24,187.50 is due on June 1, 2024 for a total payout on principal and interest of \$356,806.25.

Using the 95.5% collection factor, we need to impose \$372,863 in taxes to insure we collect \$356,807 to make the December 1, 2023 principal and interest payment of \$332,619 and the June 1, 2024 interest payment of \$24,188. Therefore, we are proposing a total debt service levy of \$372,863.

## **Fund 24: Volunteer Incentive Plan Summary**

The Board of Directors started this program on June 8, 1993 for the volunteer members of the District. This plan was established for the purpose of providing the volunteer firefighters an incentive benefit to recognize and encourage a high level of attendance at drills and training. It is also designed to maintain a high level of service to the public by promoting continuing education and to promote and maintain the concept that the District relies primarily on volunteers to provide service to the public.

Revisions were made to the Plan in 1994, 2009 and 2020.

Money for this fund is transferred from Fund 25 Personnel Services. This year we are transferring \$14,000 to fund the plan. FICA and Medicare taxes come from the Social Security line (25-1-51004) in Fund 25.

## Fund 25: General Fund Summary and Description

Fund 25 is the general fund, or operations budget, for the fire district. It is divided into the following categories: Resources, Personnel Services, Materials and Services, Capital Outlay, Debt Service, Contingency, Transfers, and Ending Fund Balance.

### GENERAL FUND 25 – RESOURCES

**Beginning Fund Balance 25-0-30000:** This is an estimate of the Ending Fund Balance of the previous year’s budget (also known as Beginning Cash on Hand). Monies available from the prior year’s operation are budgeted and brought forward in order for the District to continue operations from July to November in the new fiscal year. This prevents the District from borrowing money until tax revenue is received in November. This amount is a conservative estimate of what the ending fund balance will be at the end of fiscal year 2022-2023.

2020-2021 Actual	2021-2022 Actual	2022-2023 Adopted	2023-2024 Proposed
\$1,134,752	\$1,385,804	\$1,275,000	\$1,300,000

**Property Taxes Current 25-0-41001:** The Silverton Fire District’s 2022-2023 assessed value (AV) in Marion County, (excluding urban renewal) is **\$1,619,183,269** and the portion of the District in Clackamas County is **\$76,513,803**. This gives a total 2022-2023 AV for the entire District of **\$1,695,697,072**. The counties will not have the figures for 2023-2024 until the end of September, so we use 2022-2023 AV figures. Property taxes are the District’s main source of income. Based on growth estimates from the county assessor’s office in Marion and Clackamas Counties, we are projecting AV growth of 4.0% from the previous fiscal year with a **95.5%** collection rate. Assessed value grows with new construction and the statutory 3% maximum AV growth limit on unchanged properties required by the Oregon’s tax system and is offset by property tax exemptions and urban renewal districts. We estimate the AV for 2023-2024 will be **\$1,763,524,955**.

The District relies mainly on property tax collections for revenue. Since Measure 47/50 was passed, the spread between AV and real market value (RMV) has buffered the District from the volatility of many of the other government’s revenue sources such as income taxes, business taxes, and building permit fees. As long as the total cost of general government services does not exceed \$10/\$1,000 of RMV on individual properties, then AV is allowed to grow at the 3 percent limit.

2020-2021 Actual	2021-2022 Actual	2022-2023 Adopted	2023-2024 Proposed
\$1,549,508	\$1,613,049	\$1,683,787	\$1,751,028

**Property Taxes Delinquent 25-0-41002:** Oregon statutes grant a discount to taxpayers who pay their property taxes on time. If the full amount is paid by November 15th, a 3% discount is granted. If two-thirds of the total payment is paid by November 15th, a 2% discount is granted. So even if every taxpayer paid property taxes on time, the District would never receive 100% of the taxes imposed or billed. As you know, not all taxpayers pay their property tax bills. The amounts not paid in the year billed are called "un-collectibles". These un-collectibles become the delinquent taxes that flow in later as previously levied taxes.

**GENERAL FUND 25 – PERSONNEL SERVICES**

**Personnel 25-1-51001:** Funds nine (9) FTE positions. We continue to work on a staffing plan to add consistent and reliable 24-hour coverage. The new staffing model will have to be a hybrid model that includes all of our volunteer firefighter classifications, home responders, residents (RV’s), duty officers, shift volunteers, and career staff. We are still in the planning phase of how the staffing model will work, but we know personnel will be one of the main things to be addressed in the budget to enable us to move forward and execute any new staffing plan that we develop. One of the top goals coming from the current strategic planning process is to provide consistent and reliable response to emergencies.

\$54,780	\$54,740	\$63,947	\$72,000

**Group Health Insurance 25-1-51005:** This amount pays 90% of the health insurance premiums for 9 employees and includes medical, dental, and vision coverage with a \$1,000 major medical deductible. This change reflects a 4% increase in medical, dental, and vision insurance premiums. One grant funded firefighter-EMT and retiree health premiums are expensed out of the Employee Expense Reserve Fund 31. This amount also reflects extra funding in the event an employee has a change in coverage status that would move them into a different level of coverage. The District purchases ambulance and Life Flight memberships for volunteers and directors.

\$85,422	\$120,222	\$219,930	\$206,628

**Group Life Insurance 25-1-51006:** This fund provides term life, long term disability insurance, supplemental life and AD&D insurance for career staff. The District also provides Accidental Injury and Sickness insurance for volunteers and directors. This year, the District would like to increase the VFIS benefit amount paid out in the event of injury or sickness due to the cost of living increase. This fund also includes

term life and disability insurance and Public Safety Employee Assistance Plan (EAP) for volunteers and directors.

**Protective Equipment 25-1-71002:** These funds are used to purchase helmets, boots, turnout pants, coats, gloves, hoods, and other issued personal protective clothing and equipment. Increased amount to continue with replacing aged-out helmets and wildland PPE. Also due to 10 year age-out cycles of PPE we have additional gear that needs replacement. The current cost of just the coat and pants of a firefighting PPE ensemble is \$2600. Adding a helmet, protective hood, gloves, and boots runs the cost to over \$3,300.00 to outfit a firefighter in basic structural firefighting turnouts or (PPE). Wildland PPE costs about half of that.

**GENERAL FUND 25 – CONTINGENCY & TRANSFERS**

**Contingency 25-1-90001:** Contingency allows the District the ability to transfer appropriations into other categories during the year through resolution or a supplemental budget process. No more than 15% of the total appropriations of the fund can be transferred out of contingency with a resolution. Anything more than that requires adopting a supplemental budget. The District, by law, is authorized to do so only for expenditures not anticipated or determined at the time of budget adoption. The appropriation of contingency allows for a certain level of disaster preparedness.

## Fund 29: Reserve Fund Summary

The Board of Directors started this fund on May 11, 2010 for the purpose of accumulating funds to purchase fire apparatus, equipment, buildings and property maintenance as needed. Under Local Budget Law, a reserve fund is the appropriate way to save money from year to year (ORS 294.346; 280.050). Expenditures can be appropriated and are made directly from the reserve fund. At least every 10 years after the establishment of a reserve fund, the governing body must review the fund to decide if it should be continued or abolished. This fund was reviewed at the May 14, 2020 regular Board meeting.

We are proposing to transfer \$100,000 to the Reserve Fund.

The following Capital Expenditures are planned:

29-1-71001:	Station 1 Living Quarters work	\$20,000
	AV system upgrade Station 8	\$12,000
	Station 1 Shop Fire Alarm	\$ 6,000

## **Fund 30: Capital Projects Fund Summary**

Capital Improvement Fund 30 was created for expenditure of 2015 Bond sale proceeds. We are hopeful that we can finish these capital projects by the end of this fiscal year. We continue to face delays and huge cost increases with construction projects. The last projects are the construction of a covered vehicle storage area behind the warehouse and painting the heavy brush truck.

### **Property Improvements Major: \$39,926**

Finish covered vehicle area behind Station 1 warehouse which will include design, permits, building package and installation.

### **Major Equipment: \$6,000**

Paint the cab of heavy brush truck B417.

## 2023 - 2024

### Fund 31: Personnel Expense Reserve Summary

The Board of Directors created this fund at their April 12, 2016 meeting for the purpose of providing resources to accumulate funds to pay for unforeseen, non-ordinary personnel costs, and for payment of accrued employee benefits when an employee leaves the service of the district. Money budgeted in this fund represents existing and anticipated liabilities for employee accrued vacation along with related expenses for workers compensation, social security, pension contributions and unemployment benefits assessment.

This fund is used to set aside funds to pay for retiree health insurance premiums. This fund represents budgeted amounts for one retiree that currently has 90% of their single rate health insurance premiums paid for. Currently, this amounts to \$2,596. It should be noted that in September 2023, the retiree will be eligible for Medicare and thus will be dropped from the retiree health insurance program. No current or future retirees are expected/allowed to participate.

We received a three (3) year staffing grant from the Oregon State Fire Marshal Capacity Grant program. After consulting with our Auditor, we are putting the grant funds for this position in Fund 31, Personnel Reserve and fund directly from there for better tracking. This grant funded position requires an escalating match each year starting with 10% year one, 25% year two, and 50% year three. We also were notified that we received the OSFM \$35,000 summer Wildland Upstaff grant again like we received last year. This grant will also be expensed from Fund 31.

The Fire District is a reimbursing employer for unemployment benefits and this fund can be used for payment of unemployment claims when needed. Money for this fund is transferred from General Fund 25. This year we are transferring \$45,000 into the fund.

Grand Ronde tribal matriarch Kathryn Harrison walked on Sunday, May 21, 2023, at the age of 99.

Harrison was a key participant in the tribe's early 1980s restoration efforts and was one of five tribal members who testified before the U.S. House of Representatives on Oct. 18, 1983, in support of restoring the tribe to federal recognition. The tribe's federal recognition had been terminated 29 years earlier in 1954. After the tribe was restored on Nov. 22, 1983, she continued her service to her people, serving on Tribal Council from 1984 to 2001. During her time on Tribal Council, she served as secretary, vice chair and six years as tribal chairwoman. She never lost a Tribal Council election and was the first woman to serve as tribal chair.

During her time on Tribal Council, she helped guide the tribe into gaming through the signing of a compact with Oregon Gov. Barbara Roberts in July 1993. She also suggested the tribe start endowment funds to benefit education, health care, economic development, and social and cultural programs. Those funds continue to be an important economic resource to this day for the tribe.

Harrison was born Kathryn May Jones on March 28, 1924, in Corvallis to Harry William Jones and Ella Fleming. Her father was Molalla and her mother Eyak. Her grandparents were George A. Fleming Sr. and Elena Kallane and Billy Jones and Philomene Nellie Jones. Her name honored her great-great-aunt, Molalla Kate.

Her parents walked on when she was 10 years old from a flu epidemic and she was raised in an abusive foster care environment. She eventually graduated from Chemawa Indian School in Salem in 1942.

She married Frank Harrison and had 10 children before enrolling at Lane Community College in Eugene. In the mid-1970s, she became the first Native American graduate of the college's nursing program and worked at Sacred Heart Hospital in Eugene and then Lincoln City Hospital. She then became an alcohol rehabilitation counselor for the Confederated Tribes of Siletz on the Oregon coast.

She returned to Grand Ronde in 1980 with Restoration experience under her belt, having helped the Siletz Tribe secure federal recognition in 1977.

By 1982, Harrison was a lead community organizer for the Grand Ronde Restoration effort, mustering support for federal recognition and convincing opposition groups of the inherent justice of Restoration.

In October 1983, Harrison, Marvin Kinsey, Jackie Colton and two of Harrison's children — Frank and Karen — traveled to Washington, D.C.

"It has taken a lot of hard work, depressing and discouraging at times, but there's always been the feeling that, as extensions of our ancestors, this restoration effort is the carrying-out of their vision — and so we could always reach back to their strength and wisdom," she testified before Congress. "We are not only looking at strengthening our culture, we are also interested in working for economic betterment, and so by helping ourselves, we are helping the to-

tribal community." Because of her service to her tribe and Indian Country, Harrison received many honors in her lifetime.

Upon her retirement from Tribal Council in 2001, 400 people attended an event at Spirit Mountain Casino to honor Harrison. Attendees included former Gov. Kate Brown, who was a state senator at the time, and former Gov. Vic Atiyeh.

Her name was inscribed on the Wall of Honor at the National Museum of the American Indian at the Smithsonian in Washington, D.C., in 2001. She also received the prestigious Tom McCall Award, created to recognize outstanding contributions from individuals who mirror the spirit and service shown by the former Oregon governor, in 2001.

"What Kathryn has done for Grand

Ronde, Native Americans and the people of Oregon has been a guiding light for us all," said then-Stop Oregon Litter and Vandalism executive director Jack McGowan in November 2001. "Kathryn Harrison manifests the best we can be as people and as Oregonians."

She was the first Native American recipient of the Oregon History Maker honor in 2012 given out by the Oregon Historical Society. She also received the Betty Roberts Women in Leadership Award from Emerge Oregon, a Portland-based training program for Democratic women that same year.

Harrison received honorary degrees from Portland State University in 2003, the University of Portland in May 2013 and Willamette University in Salem in May 2014.

She became the first Native American to serve on the board of directors of the American Museum of Natural History in New York City in 2018. During Harrison's tenure as Tribal Council chair, the tribe and museum reached an agreement in 2000 regarding Tomamowos, or the Willamette meteorite. The agreement settled a claim to Tomamowos filed by the Tribe under the Native American Graves Protection and Repatriation Act.

Most recently, the Corvallis School District renamed one of its elementary schools after Harrison in May 2022.

"We haven't reached our potential yet, and we probably never will in my time, and I hope that is true," Harrison said about the Grand Ronde people in 2001. "I think for our children we are leaving the right tools for them to follow and to use."

During an interview for the tribe's 25th Restoration celebration held in

2008, Harrison said, "We are living out the dreams of our Elders and our ancestors."

In her latter years while confined to a wheelchair, Harrison remained a revered fixture at tribal events, attending Spirit Mountain Community Fund check presentations, an occasional Tribal Council or General Council meeting and many cultural events. One of her most recent public appearances was attending Bruce Thomas' retirement party held at Spirit Mountain Casino on May 4.

She resided at the Adult Foster Care lodges in Grand Ronde.

Harrison had 10 children: Frank Harrison, Tom Harrison, Ray Harrison, Roger Harrison, David Harrison, Patsy Pullin, Jeannette Harrison, Kathy Coley, Diane Harrison and Karen Askins. She is survived by numerous relatives.

At the time of her passing, Harrison was the oldest tribal member at the age of 99. That distinction now passes to Lorene Belle Smith, who is 98. Funeral services are pending and tribal offices closed for the day on Monday, May 22, after the news was announced.

"Words cannot express the magnitude of sadness and loss that we're experiencing with the passing of our beloved Tribal Elder Kathryn Harrison," the tribe posted on its governmental Facebook page. "She dedicated her life to the service of others and contributed a great deal to Indian Country and the Confederated Tribes of Grand Ronde. May we honor her, and her legacy, as we carry what she started into the future."

A teenager was killed in a three-vehicle hit-and-run crash early Sunday morning, according to Salem Police.

Police and emergency personnel responded to the crash at the intersection of Lancaster Drive and Beverly Avenue NE at 3 a.m. Sunday.

A preliminary investigation found the driver of a southbound car rear-ended another car and also hit a mid-sized SUV. Police said the driver fled the scene before officers arrived.

A 16-year-old boy was taken to the hospital with life-threatening injuries and died early Tuesday morning, according to police.

Gustavo Sosa, 27, turned himself in and was taken into custody Monday afternoon. Sosa was arraigned Wednesday on several charges including manslaughter, assault, reckless driving and driving under the influence of intoxicants. He was convicted in 2022 for DUI and his license had been suspended until last month, according to court records.

A plea hearing is scheduled for Friday at 8:30 a.m.
