Meeting called to order at 1800 via Zoom by Keith Veit

Members Present: Miles, Veit, Parvin, Rucks, Dandeneau.

Communications: None

Old Business: The district will be purchasing additional hoods. A second hood will be provided to all entry qualified firefighters.

New Business: I have developed and implemented a system to track inspection of SCBA cylinders during the filling process. This system has been deployed and a email has been sent out to inform and educate district members. System evaluation will be ongoing.

Monthly PPE Inspections; We will be adding monthly PPE inspections to the district drill schedule.

The district has received a consult form a SDAO Risk Management Consultant Jason Jantzi. The district also has scheduled a consult with OHSA.

Work is ongoing to develop members of the districts Safety Committee. To date Ron Parvin, Ray Dandeneau and James Rucks have committed. staff member Ian Peterson has expressed interest. I would like to seek a district member from the station 8/9 area to join as well.

Committee member Parvin suggested that we pursue additional district training for EV vehicles. We will be seeking additional educational/ drill ideas.
