

Safety Committee Meeting Minutes
09/02/2026 Station 1

Meeting called to order at: 1801

Members Present: Keith Smith, Ron Parvin, Ray Dandeneau, Keith Veit

Communications: None

Old Business: None

New Business:

- Fall season / limited daylight hours:

The committee discussed the importance of continuing to ensure all members are utilizing reflective PPE while working around vehicle traffic.

Additionally, the committee discussed the importance of deploying the proper scene lighting (both emergency lighting as well as work lighting) while working in and around vehicle traffic. As well as ensuring that we are not creating a hazardous situation on roadways by blinding oncoming traffic with apparatus headlights while working on scene.

Round Table Discussion / Reports:

- Ray Dandeneau: Life jacket loaner stations are still stocked; we will discuss closing them for the season during the October meeting.

Injury Reports: None
Accident Reports: None
Exposure Reports: None
Next meeting: 10/07/2026
Meeting adjourned at: 1835

Respectfully Submitted,
Keith Veit
Secretary - Chairman
