The Commission may revise the classification of such positions as it deems proper.
1. Effect of Reclassification on Employee Status

Written or performance examinations shall be conducted in such places as are necessary for the reasonable convenience of applicants within the practical limits for proper administration and control. The Chief Examiner shall designate the number of examiners necessary to conduct examinations, and provide them with instructions. The Chief Examiner may also arrange for the use of public buildings in which to conduct these examinations.
- B. Frequency of Examinations.

SECTION 7 POSTPONEMENT OR CANCELLATION OF EXAMINATIONS

In the event a sufficient number of qualified applicants have not made application for any test, the Chief Examiner may postpone the last filing date, or cancel the test. In such case, written notice shall be given to the applicants and appointing authorities concerned.

SECTION 8 CHARACTER OF EXAMINATIONS

Tests shall be practical and competitive, and must be designed to determine the qualifications, fitness and ability of candidates to perform the duties of the class for which a register is to be established. They may be written, oral, physical, in the form of a demonstration of skill, an evaluation of training and experience, or any combination of such types. They may take into consideration education, experience, aptitude, capacity, knowledge, character, physical fitness, length and quality of service, and other qualifications to determine the relative fitness of the candidates, and shall not be related to political or religious preference. Applicants selected for appointment shall be required to pass a pre-employment physical examination administered by a licensed physician.

- A. Open-Continuous Examinations. When necessary to meet continuing requirements for filling positions, and when there is no immediately available large pool of applicants for a class, the closing date for any test may be indefinite, and the applicants may be tested continuously in such manner and at such times and places as the Chief Examiner may provide. A closing date for an open-continuous test may be set at any time by giving public notice, at least two weeks prior to the effective date.

SECTION 9 RATING OF EXAMINATIONS

- A. Method of Rating. In all tests a minimum rating shall be established which is required to achieve eligibility. Such minimum ratings may also apply to the rating on any parts of the test, and candidates may be required to obtain minimum ratings on separate parts in order to receive passing grades, or to be rated on the remaining parts of the tests. The final earned rating of each competitor shall be determined by adding the earned rating on each part of the test in accordance with weights established prior to the date of the test. Ratings shall be based on a scale of 100 points.
- B. Rating of Experience and Training. When a rating of experience and training forms a part of a test, the Chief Examiner shall develop procedures for the evaluation of those factors that will serve to assist in the selection of the best qualified candidates. Procedures that are adopted shall give due regard to quality, recency, and amount of experience, and to the pertinence and amount of training. In establishing the value that a rating of experience and training shall bear to the total test, and in determining the length of time for which experience credit shall be awarded, consideration shall be given to the amount of learning time required to perform efficiently the duties of the position.

SECTION 10 NOTIFICATION OF EXAMINATION RESULTS

The rating of each test shall be completed and the resulting list established as soon as practical after the date on which the test was held. Each person competing in a test shall be given notice of their final rating. Each person competing in a test may, during the immediate thirty-day period following notification of examination results, review their examination papers and have the rating reviewed and corrected if an error is found. No correction shall invalidate any appointment previously made from the list. The right to review the test is limited to the applicant, Commissioners, their staff and members of the governing body. Tests may be reviewed only during regular business hours at the office of the Commission.

SECTION 11 PREFERENCE FOR VETERANS

In all competitive entrance examinations, preference status shall be given to every veteran and disabled veteran who has successfully completed all phases of a civil service test. Preference means that the score of a veteran who has passed the test shall be increased by five percentage points of the total points available and the score of a disabled veteran who has passed the test shall be increased by ten percentage points. All such points shall be added to the total combined test score of the veteran and shall not be allocated to any single feature or part of the examination. The Chief Examiner may remove a name from a list permanently or temporarily for any of the following reasons:

- A. Certification and appointment of an applicant from the list to fill a regular position.
- B. Certification and appointment to fill a regular position with the same or higher salary range from a different list. However, any applicant whose name is so removed may have it restored by making written application to the Chief Examiner.
- C. Failure to respond within five days to a written inquiry of the Chief Examiner or an appointing power relative to availability for appointment.
- D. Refusal of an offer of an appointment without adequate explanation.
- E. Failure to report for duty within the time specified by the appointing power.
- F. Expiration of the term of eligibility on the register.
- G. Failure to maintain a record of current address with the Commission as evidenced by the return of properly addressed unclaimed letter, or other evidence.
- H. Certification three times to the same appointing authority without receiving appointments.
- I. Willful violation of any rules of the provisions of the Civil Service Rules for firefighters or these rules.
- J. In case of promotion lists, separation from the District service.
- K. Upon a finding by the Chief Examiner or Commission that the person is not qualified to perform the duties of the class.

- L. Upon a finding of the appointing power and concurrence by the Commission that the applicant is not qualified to perform the duties of the class.
- M. Upon request of the eligible to have his/her name removed.

Any person whose name is removed from the register shall be promptly notified by the Chief Examiner of the reason for such removal.

SECTION 6 RESTORATION OF NAMES TO ELIGIBLE LISTS

An eligible whose name is removed from a list may make a written request to the Chief Examiner for restoration of his/her name to the list. The request must specify the reasons advanced for the requested restoration. The Chief Examiner, subject to appeal to the Commission, shall determine whether evidence submitted justifies approval of the request.

SECTION 7 AVAILABILITY OF ELIGIBLES

It shall be the responsibility of eligibles to notify the Commission [District] in writing of changes in address, or other changes that may affect availability for employment. However, the Chief Examiner may, from time to time, circulate registers or use other methods to determine current availability of eligibles.

RULE IX

CERTIFICATION AND APPOINTMENT

SECTION 1 FILLING VACANT POSITIONS

The District has designated the Fire Chief as its Appointing Power for filling vacancies in Civil Service positions within the District. As the Appointing Power, the Fire Chief is authorized to appoint individuals to Civil Service positions as outlined in these Rules. The District is an equal employment opportunity employer and does not discriminate against any qualified applicant on the basis of race, national origin, age, gender, religion, political affiliation or other status protected by applicable law. All appointments will be based upon the District's evaluation of merit, efficiency, and fitness for the vacant position.

All vacancies in classified positions shall be filled as provided in these rules. Whenever an appointing power wishes to fill a vacancy in the classified service, a request for names of qualified eligibles shall be submitted to the Commission. No appointment to a classified position shall be made without prior authorization of the Chief Examiner.

SECTION 2 CERTIFICATION OF ELIGIBLES

- A. Order of Use of Eligible Lists. Upon receipt of a request for certification of eligibles, the Chief Examiner shall certify the proper number of available eligibles from an appropriate list. If no appropriate list exists, the Chief Examiner shall authorize appointment by other prescribed means. Certification shall be made from the promotion or entrance register based upon the decision of the appointing authority. The name selected is at the discretion of the appointing authority, regardless of their standing on the certified list.
- B. Order and Number of Names Certified. Names shall be certified in order of standing on the list. The number of names certified from the entrance list shall be three. When more than one vacancy exists, the number of names shall equal the number of vacancies plus two in addition. From the promotional list, the number of names certified shall be two plus one for each additional vacancy.
- C. Order in Which Certification Will Be Issued. Eligibles shall be certified for vacancies occurring in a class in order of receipt of requisitions.
- D. Additional Certification to a Vacancy. The Chief Examiner may certify additional names to a vacancy upon receipt of a written report from an appointing power that, in the Commission's judgment, justifies a finding that one or more of the eligibles certified would not be suitable for the position that is to be filled. Religious, racial, or political reasons shall not be considered as valid reasons for rejection of a candidate. If the rejection of the appointing authority is not approved by the Commission, the Commission shall notify the appointing power of each disapproval and, upon receipt of such notice, the appointing power shall immediately appoint the certified candidate in question.

- E. Notice of Eligibles Not Appointed. Those persons certified to the District but not appointed shall be so notified by the appointing power within five days after an appointment is made. This rule will not apply in the case of persons who waive, decline, or fail to appear for an interview.

- F. Restoration of Names to the Register. The names of those persons certified to the District but not appointed shall be restored to the register unless subject to Rule VIII, Section 5.

SECTION 3 KINDS OF APPOINTMENTS

- A. Probationary Appointment. The appointing power shall make probationary appointments from the list of candidates certified. Such appointments are conditioned upon and subject to the appointee's satisfactorily completing probation.
- B. Provisional Appointments. If there are no names of qualified candidates on either the promotional or entrance list for a class in which a vacancy exists, the Chief Examiner may authorize the provisional appointment of a person meeting the minimum prerequisites for the class to which the position is allocated. No position shall be filled by provisional appointment more than once in any calendar year. A provisional appointment is terminated after three months or when the Chief Examiner establishes an appropriate list, certifies available eligibles, and an appointment is made for the position. Notice of all such appointments made shall be reported to the Commission at its next regular meeting.
- C. Temporary Appointments. The appointing authority is authorized to make temporary appointments to assure continuation of required work. A temporary appointment is limited to twenty-four calendar weeks. Temporary appointment shall require official personnel action and the Chief Examiner shall be so notified. The appointing authority will consider existing lists when making temporary appointments.
- D. Relief Appointments. Where a position exists, the appointing authority may make transfers or relief appointments to fill absences. Such relief appointments shall be made from the appropriate eligibility lists where administratively feasible, or the appointing authority may appoint individuals who meet the minimum prerequisites of the class who are known to have the ability necessary to perform in said position. Should such appointment to that position exceed eight weeks, the Chief Examiner shall be so notified. Relief appointment shall not be considered a promotion, if to a position which may have a higher pay scale, and return to the employee's regular position shall not be considered a demotion.

SECTION 4 TRANSFERS

- A. Assignment of Duties. An appointing power may, within division or organization unit, assign an employee from one position to another position in the same class without prior approval of the Commission.
- B. Method of Transfer. An appointing power may authorize the transfer of an employee to a similar position in the same classification. An employee may be transferred from a position in one division or organization unit to a position in the same class in another division. A transfer of an employee from a position in one class to a position in another class having a higher salary range constitutes a promotion and is subject to rules governing appointments and promotions. A transfer to a position in a class having a lower salary range constitutes a demotion and shall be subject to rules governing demotions. Transfers must be completed with no more than a ten-day break in service.
- C. Voluntary Demotions. If an employee is qualified and subject to the discretion of the appointing

authority, the request may be granted, provided it would not result in the layoff of another employee. Notice of the action shall be provided to the Civil Service Commission.

RULE X

PROBATIONARY PERIOD

SECTION 1 PURPOSE

A probationary period is an integral part of the examination process. It shall be utilized as an opportunity to observe the employee's work, to provide special training, to assist the employee in adjusting to the new position, and as an aid in making a decision to reject any employee whose work performance or personal conduct is unsatisfactory.

SECTION 2 DURATION OF PROBATIONARY PERIOD

Entrance level employment is subject to a probationary period of twelve (12) consecutive months of actual service. In determining such one (1) year service, excluding job related training and schooling, time spent in training and schools, away from the District and sick or disability leave time shall not be included. Promotion to any other position within the classified service is subject to a twelve (12) consecutive month probationary period.

SECTION 3 DISMISSAL DURING ENTRANCE PROBATIONARY PERIOD

At any time during the entrance probationary period, the appointing power may terminate the appointment of the person certified if, during any performance test thus afforded, upon observation or consideration of the performance of duty, the appointed person is found unfit or unsatisfactory. The appointing power shall forthwith notify the employee and the Commission in writing of any such termination of employment. Such action by the appointing power is not subject to appeal.

SECTION 4 UNSATISFACTORY PERFORMANCE DURING PROMOTIONAL PROBATIONARY PERIOD

At any time during the promotional probationary period, the appointing power may terminate the promotional appointment of the person certified if, during the performance of duty, the person is found unfit or unsatisfactory, provided, however, that the appointing power shall forthwith notify the employee and the Commission, in writing, of any such termination of a promotional appointment. The appointed employee shall have the right to revert to a position in the last held regular class.

SECTION 5 REGULAR STATUS

If no action is taken by the appointing power to terminate, reduce in rank, or extend probation of a probationary employee during the probationary period, the employee shall be deemed to have satisfactorily completed the probationary period and the appointment shall be considered to be regular at the end of the specified period of time.

SECTION 6

REMOVAL FROM ELIGIBILITY REGISTER

If an appointment is not made “regular” because of the District’s dissatisfaction with the employee’s performance during the probationary period and the employee is terminated or reduced in rank, the employees name shall be removed from the eligibility register for the position.

RULE XI

SEPARATION IN GOOD STANDING

SECTION 1 REDUCTION IN FORCE

- A. Reason for Layoff. The governing body may order the layoff of an employee because of abolition of a position, shortage of funds or work, a material change in duties, changes in an organizational unit, or for other reasons which do not reflect discredit on the service of the employee. Duties performed by laid off employees may be reassigned to other employees already working, who hold positions in appropriate classes. No temporary or permanent separation of an employee from the service as a penalty or disciplinary action shall be considered a layoff.
- B. Demotion in Lieu of Layoff. Any regular employee who is about to be laid off may file a written request with the appointing power for demotion in lieu of layoff. The appointing authority normally shall grant this request in any class for which the employee has established a right to Civil Service status, and where it appears that he/she may expect to perform satisfactorily. If, in the opinion of the appointing power the good of the service does not indicate the desirability of such action, the employee shall be immediately notified, in writing, giving the reasons for denying the request. The employee may request a review by the Commission of the reasons for denial. In all cases where employees are demoted in lieu of layoff, their names shall be placed on layoff lists for the classes from which they were demoted.

SECTION 2 RETURN OF NAMES OF LAID OFF EMPLOYEES TO THE ELIGIBLE LISTS

The names of regular employees laid off or demoted in lieu of layoff shall be placed on the appropriate register as provided in Rule VIII, Section 3.

RULE XII

DISCIPLINARY ACTIONS

SECTION 1 CAUSES FOR DISCIPLINARY ACTIONS

The tenure of persons subject to civil service shall continue during good behavior and such persons may be dismissed, demoted, suspended without pay or deprived of special privileges only for the following causes:

- A. Incompetency,
- B. Inefficiency,
- C. Inattention to duty,
- D. Dereliction of duty,
- E. Dishonesty of any type (including false or deliberately misleading information or omissions from employment application),
- F. Violation of the District's Drug and Alcohol policy,
- G. Insubordination,
- H. Discourteous treatment of the public or coworkers,
- I. Immoral conduct,
- J. Any plea of guilty or no contest, or conviction of crimes of moral turpitude (such as crimes involving dishonesty) or other crimes related to the ability to perform job duties,
- K. Repeated or serious violations of the District's policies or standards of employee conduct, or
- L. Any willful failure of good conduct tending to injure the public service.

Any action, which reflects discredit upon the service or is a direct hindrance to the effective performance of District functions, shall be considered cause for disciplinary action. Such cause shall also include misconduct, inefficiency, incompetence, insubordination, indolence, malfeasance, the willful giving of false information or withholding information with intent to deceive when making application, or willful violation of published District rules, the law or these Rules.

No person shall be dismissed, demoted, suspended without pay or deprived of special privileges for political, racial or religious reasons.

Nothing herein prohibits the Appointing Authority from using lesser forms of punishment or administrative

action, including oral and written reprimands and suspension with pay to which this Rule does not apply.

SECTION 2 PROCEDURE FOR TAKING DISCIPLINARY ACTION

If disciplinary action covered by this Rule is to be taken against an employee, it should be done in a manner that will not embarrass the employee before other employees or the public. For all forms of disciplinary action, the supervisor should follow established District procedures and should keep the Chief fully informed of any action taken. When it is necessary to suspend without pay, discharge, demote or deny special privileges to an employee, the following steps shall be taken:

- A. The supervisor shall prepare, in writing, a statement of the reason(s) for proposed disciplinary action, stating dates, location, rules and regulations violated, and particular actions, if appropriate. The written statement should include previous oral warnings given and any written warnings previously given the employee. The statement should be delivered to the Chief for review and necessary action.

- B. After a review of the supervisor's statement, the Chief shall present the employee with the information provided by the supervisor and outline to the employee any investigation to be made and the disciplinary action being considered by the Chief. The Chief should give the employee a reasonable opportunity to respond in person or in writing to the supervisor's statement before action is taken. If a hearing is requested with the Chief by the employee, the employee may be represented by any person of their choosing.

- C. If, after the employee has responded, the Chief still believes disciplinary action is appropriate, the Chief should prepare a letter outlining the course of action to be taken.

- D. The Chief shall notify the employee by certified mail, or if possible, by hand delivering the letter and the personnel action form. A copy of these materials should be provided to the Civil Service Commission.

RULE XIII

APPEALS, HEARINGS AND INVESTIGATIONS

SECTION 1 APPEALS

- A. Appeals Related to Civil Service Exams and Hiring. Applicants who want to appeal their final exam rating may do so within ten (10) calendar days of the date the test results are mailed by sending a written notice of appeal to the Chief Examiner. The notice of appeal must provide a detailed explanation of why the applicant believes the rating is incorrect. The Chief Examiner will review the rating and correct the rating if an error is found. Corrections will be prospective only; no correction will invalidate any appointment previously made from the list.

Applicants whose names are removed from an entrance or promotion register (other than due to the expiration or cancellation of the register as outlined in these rules), may appeal within ten (10) calendar days of the date the notice is mailed by sending a written notice of appeal to the Chief Examiner. The appeal must request restoration to the Register and must include a detailed explanation of why the applicant should be restored to the Register as well as any supporting documentation. The Chief Examiner will review the information and provide a written decision. Applicants who are still not satisfied after receiving the Chief Examiner's decision may appeal to the Commission within fifteen (15) calendar days from the date the decision is mailed. The written appeal to the Commission must include a copy of all material provided to the Chief Examiner, the Chief Examiner's decision, and a detailed explanation of why the applicant believes the Chief Examiner's decision is incorrect. The Commission will investigate and issue a written decision within thirty (30) calendar days.

- B. Appeals of Demotions, Reductions in Pay, Suspensions Without Pay, or Discharges. Employees in Civil Service positions may appeal disciplinary demotions, reductions in pay, suspensions without pay, and discharges only as outlined in these Rules. Lesser forms of discipline are not subject to appeal under these Rules.
1. *Union Employees.* All probationary and regular employees whose employment is governed by the terms of a current collective bargaining agreement and who want to appeal a demotion, reduction in pay, suspension without pay or discharge decision must use the grievance and arbitration procedure in their union contract. Such employees do not have appeal rights under these Rules unless they waive, in writing and in a timely manner, all rights granted to them to appeal such decision under the current collective bargaining agreement including acceptance of such waiver by an authorized bargaining unit representative.
 2. *Non-Union Employees.* Regular non-union employees in Civil Service positions who have been demoted, reduced in pay for discipline, suspended without pay or discharged may appeal those forms of discipline to the Commission. Non-union employees in their initial probationary period do not have appeal rights under these Rules, regardless of the form of discipline. During their probationary period, promoted non-union employees have appeal rights under these Rules for the referenced actions, except demotion.

3. All appeals under this section must be made in writing and must be filed with the Commission chair within seven (7) days after the effective date of the demotion, disciplinary reduction in pay, suspension without pay or discharge. In order to be considered by the Commission, written appeals must include:
 - a. A detailed explanation of the facts leading up to the discipline and the reasons why the employee believes the disciplinary action was improper,
 - b. The names of all relevant witnesses, and
 - c. A copy of all materials and documentation supporting the complaint.

SECTION 2 DISCIPLINARY HEARINGS

- A. Procedure. Commission hearings on appeals from disciplinary action shall be open to the public and informal. Both the employee and the Appointing Power shall be given written notification of the time and place of a hearing at least ten (10) days in advance, and shall have the right to have subpoenas issued by the Commission, present witnesses, and give evidence before the Commission.
- B. Witness Fees. Every person served with a subpoena requiring attendance before the Commission shall be entitled to the same fees and mileage as are allowed by law to witnesses in civil suits and actions, except that no person shall be entitled to any fees or mileage who is employed in the Public Service or political subdivision to which they are called as a witness. The fees and mileage allowed by this section need not be pre-paid, but the governing body of the political subdivision shall provide for payment thereof when certified by the Commission.
- C. Conduct of Hearings. A hearing before the Commission is intended solely for the purpose of receiving evidence either to refute or to substantiate specific charges which the Commission has been requested to examine. It shall not be made an occasion for uttering irresponsible accusations, attacking the character or conduct of an employer or employee or making other derogatory comments having no bearing on the charges under investigation. The Commission in conducting such hearings is not bound by the standard Rules of Evidence.
- D. Counsel or Representative. In appealing a disciplinary action to the Commission, an employee is not required to have counsel. The appellant may examine and cross-examine witnesses, make statements, summarize testimony, and otherwise conduct a hearing. An employee may choose to be represented by counsel or other person.

SECTION 3

COMMISSION FINDINGS

- A. Commission Findings. If, after receiving evidence presented in a hearing on disciplinary actions, the Commission finds the complained-of action taken by the Appointing Power was made in good faith for cause, the Commission may affirm or modify the action. If the Commission finds that the complained-of action taken by the Appointing Power was not made in good faith or cause, the employee shall be reinstated to the previous position and shall not suffer any loss of pay or status. The Commission, in lieu of affirming the disciplinary action, may modify the order as the circumstances may warrant. The action of the Commission shall be certified in writing to the Appointing Power who shall put it into effect. All other findings of the Commission resulting from any hearing on complaints or suggestions normally shall be in the form of recommendations. Commission findings will be issued within thirty (30) days of the conclusion of the hearing.
- B. Other Commission Investigations. The Commission will conduct an investigation into the enforcement and effect of these Rules whenever a resident of the District or an employee in a Civil Service position submits a verified written complaint alleging violation(s) or abuse(s) of these Rules. All written complaints must be submitted within thirty (30) days after the alleged violation or abuse, must be signed, and must include:
1. A detailed explanation of the alleged violation(s) or abuse(s) of these Rules,
 2. The Civil Service position(s) that the person believes to be affected by the violation(s) or abuse(s) of these Rules,
 3. The names of relevant witnesses, and
 4. A copy of all materials and documentation supporting the complaint.

In addition, the Commission will conduct an investigation whenever it decides that any violation(s) or abuse(s) of these Rules may have occurred within the previous thirty (30) days. Commission investigations will generally include an inspection of all Civil Service positions cited in the complaint and a determination of whether there has been a violation of these Rules. The Commission's decision will be made in writing and will address all matters investigated.

SECTION 4

APPEAL TO CIRCUIT COURT

- A. Appeal to Circuit Court. Any decision of the Commission affecting any regular employee or employees may be appealed to the Circuit Court of Marion County, Oregon in accordance with ORS 242.804.

RULE XIV

RECORDS AND REPORTS

SECTION 1 ROSTER

The Commission shall establish and maintain a roster of all employees in the classified service showing for each employee the class title, assignment, salary rate, date of employment, and such other employment data as is deemed pertinent.

SECTION 2 REPORTS TO THE COMMISSION

Every appointment, transfer, promotion, demotion, dismissal, change of salary rate, leave of absence without pay, or other temporary or permanent change in the status of classified employees shall be reported to the Commission in writing on such forms as the Commission may require.

SECTION 3 DESTRUCTION OF RECORDS

Records other than examination papers may be destroyed after four years. Original examination papers shall be retained for four years, after which time they may be electronically stored.

SECTION 4 PUBLIC RECORDS

Except for examination material, service ratings, personal history, and other confidential papers as may be specified in these rules or by action of the Commission, records of the Commission shall be public records. Such records shall be open to inspection by the public during regular office hours in accordance with such procedures as the Commission may provide.

RULE XV

PROHIBITIONS AND PENALTIES

SECTION 1 PROHIBITED CONDUCT GENERALLY

No person shall:

- A. Alone or in cooperation with one or more persons, defeat, deceive or obstruct any person in respect to the right of that person of examination or registration according to the regulations prescribed by the Commission under these Civil Service Rules.
- B. Falsely mark, grade, estimate or report upon the examination or proper standing of any person examined, registered or certified pursuant to these Civil Service Rules, or aid in so doing, or make any false representation concerning the same or concerning the person examined.
- C. Furnish to any person any special or secret information for the purpose of either improving or injuring the prospects or chances of any person so examined, registered or certified or to be examined, registered or certified.
- D. Impersonate any other person to permit or aid in any manner any other person to impersonate the individual in connection with any examination or registration or application or request to be examined or registered.

SECTION 2 POLITICAL CONTRIBUTIONS AND ACTIVITIES

No person holding any position subject to civil service is under any obligation to contribute to any political or religious fund or to render any political service to any person or party. No person shall be removed, reduced in grade or salary or otherwise prejudiced for refusing to do so. No person shall discharge, promote, demote or in any manner change the official rank, employment or compensation of any person subject to civil service or promise or threaten to do so for giving, withholding or neglecting to make any contribution of money or services or any other valuable thing for any political, racial or religious purpose.

The Commission shall prohibit persons subject to civil service from furthering the cause of any candidate for nomination or election to the governing body of the political subdivision by which they are employed.
